

## Wells Fargo Credit Connect iPad bookmark instructions

The method of bookmarking a web page on the iPad is different from the way you do it on a computer. To bookmark the Wells Fargo Credit Connect paperless processing system, follow these steps:

- 1. Open the Safari browser located on the iPad home screen.
- 2. When the browser window opens, tap the bar at the top of the screen and input the Wells Fargo Credit Connect website: *wellsfargo.com/creditconnect*.
- 3. Tap the share icon (the one with the box and the arrow), in the upper right hand corner in the browser's main toolbar.
